Grab tons of practice in going back over a piece of writing and fixing any errors in spelling, punctuation, capitalization, and grammar. As hard as self-editing can be for children, our editing and proofreading worksheets pdf make it easy for them to edit with a compilation of exercises, which include identifying and matching proofreading marks, correcting errors in paragraphs, and fixing mistakes in informal letters, to name a few. Get ready to watch the young editors in action! These worksheets are ideal for children in grade 2 through grade 8. Correction exercises are valuable because they allow students to learn to proofread and edit. This skill inevitably carries over into their own work, allowing them to be better writers. What's more, correction worksheets give students more practice identifying common grammar, spelling, and punctuation errors. It also gives beginning students practice learning new idiomatic expressions. Is it correct to say that Tom lives at Main street or on main street? These are the types of skills students will learn through using these worksheets. Below you'll find our lists of printable paragraph correction worksheets. On these worksheets, students must choose the best way to correct errors highlighted in the given paragraph. They are tested on their knowledge of punctuation, spelling, syntax, symmetry, vocabulary, and verb tense usage. Each paragraph correction worksheet is 8 questions long. Most of the content tested is explained in other sections on this website. For all student levels. Interested in using interactive versions of our worksheets? Want to use a study tool which automatically scores your work and allows you to review your mistakes? Have fun and help preserve the environment at the same time. Try out our online paragraph correction quizzes here! © This is copyrighted work to be used only by teachers in school or at home.
