Image not available forColor: To view this video download Flash Player We are the original copper compression company, founded with a simple goal of helping people live more comfortable, healthy, and happy lives. Through our innovations in fabrics and design, weve established ourselves as the leaders in Wearable Wellness. We define this as comfortable, convenient, and effective pain management solutions. From head to toe, Tommie Copper compression clothing, back support, topicals, sleep systems, and accessories are designed to get you out of pain now, and stay out of pain in the future. The Complete Pain Management System Now proudly offering a wide range of innovative pain management solutions, Tommie Copper has your pain-relief needs covered anytime, anywhere. As always, our goal is to provide our customers with pain management solutions that are comfortable, convenient, and versatile, to make getting, and staying, out of pain possible for everyone. If youre in pain, Tommie Copper has the relief you need. React to your immediate pain with our fast-acting topicals. Recover with our renowned compression clothing. Restore your body and fight pain while you sleep with our revolutionary sleep systems. React, recover, restorethats the complete Tommie Copper Pain Management System. Support, Relief & Recovery Tommie Copper compression wear has you covered before, during, and after your hard-working days with support, relief, and recovery. Support for enhanced performance and comfort. Relief from the aches and pains that slow you down. And faster, more complete recovery so you can get back on your feet and do it all over again tomorrow. Comfortable Compression Clothing Wearable Wellness pain relief only works if you wear it. We pride ourselves on creating compression wear that exceeds your pain-management goals, while remaining comfortable enough to wear all day. Our proprietary fabric is meticulously crafted to provide the perfect pairing of real-deal support with wear-all-day comfort and convenience. Our patented Copper Znergy technology provides permanent anti-odor benefits designed to last the lifetime of the garment. When your compression clothing is always comfortable and fresh, that means you can confidently wear it all the time. Thats the difference between Tommie Copper and all other compression. Targeted Support for Your Knees and Back We adapt to our customers pain relief needs. Thats why two of the most common areas of pain our customers experience have become two areas where our products really shine. Tommie Copper back support and knee support solutions feature advanced engineering and sophisticated designs that remain intuitive and easy to use. Building on the comfort-focused features of our compression wear, our back and knee support solutions add serious stability and targeted pain relief to the areas where you need it most. 60-Day Money Back Guarantee Conditions Any misuse or abuse of the 60-Day Money Back Guarantee or other conditions of sale, as determined by Tommie Copper in its sole discretion, shall negate, and render a purchaser ineligible for, among other benefits, the 60-Day Money Back Guarantee. In the event that Tommie Copper deems a purchaser ineligible for the 60-Day Money Back Guarantee and/or any such other benefits, Tommie Copper may, in addition to its other rights and remedies: (i) decline claims for refunds, returns and exchanges; and (ii) reject all future orders. BOGO FREE From physical activity to working posture, all kinds of things can cause pain in your back and shoulders. A back and shoulder brace with compression is always a good idea to encourage better form, increase blood flow, reduce swelling, and ease aches and pains. The Benefits of Our Compression Gear Tommie Copper shoulder support shirts and back braces are made with an ergonomic panel design and contoured stitching to target compression to the areas that need it. And its all made with our 4D stretch fabric, which is moisture-wicking and has UPF 50+ to protect from the sun. Copper Znergy is Something Special Tommie Copper products are made with our patented Copper Znergy technology. This special fabric is designed to prevent the growth of odor-causing microbes. And the copper in our copper shoulder braces never washes out, giving your garment permanent anti-odor benefits. A Comfortable Back and Shoulder Brace When you buy a Tommie Copper back and shoulder support shirt or back brace, youre buying all-day relief. Compression only works when youre wearing it, and targeted compression means that our garments are supremely comfortable. We design our compression garments so that you can comfortably wear them all day long. BOGO FREE
