

Click to verify

International Student Registration to be Held in Dan Maskell Tennis Centre and Rutland Building From Wednesday 17th September 2025, international students can register at the Dan Maskell Tennis Centre by appointment only. This service will run until Friday 3rd October 2025. If you are unable to attend during this period, registration will shift to The Student Records & Operations Counter located within the Rutland Building on campus, starting from Monday 6th October 2025. To ensure a smooth process, please complete your online registration prior to booking an appointment. It is crucial that all required documents, including a valid passport, proof of UK arrival, and visa, are brought during the collection process. If you have not already done so, generate a sharecode on the UK government website in advance to facilitate this step. The sharecode will be essential for verification purposes. Please note that original documents must be presented, even if they were submitted during the application process. For any last-minute changes or cancellations, kindly update your booking and make new arrangements. For further clarification and support, refer to the Student Handbook or contact the Student Records & Operations team directly at [www.lboro.ac.uk/student-records/contact](http://www.lboro.ac.uk/student-records/contact).
