## Dentists that accept triccare

The purpose of this Data Protection Statement is to notify you of the practices that will govern the processing of your personal data and to obtain your explicit consent for the processing of your personal data consistent with it, in particular in accordance with the legal requirements of the European Union's ("EU") General Data Protection Regulation ("GDPR"): The personal data collected may include your address, city, postal code, country, phone number, email address, IP address, as well as any other personal information you choose to provide ("Personal Data"). This information will be used for purposes of performing services to, or on behalf of, our enterprise customers and prospective customers as part of and in relation to matters regarding our provider, health plan, and subsidiary enterprise care delivery, administration and operations. We will retain the information in our system in accordance with applicable law and our Data Protection Policy: Your email address and phone number may be used to contact you. All reasonably appropriate measures will be taken to prevent disclosure of your Personal Data beyond the scope provided directly or indirectly herein or as may be reasonably inferred from the content contained in this notice or the website. Your Personal Data will be disclosed to appropriate personnel for purposes of performing services to, or on behalf of, our enterprise customers and prospective customers as part of and in relation to matters regarding our provider, health plan, and subsidiary enterprise care delivery, administration and operations. Notwithstanding the above disclosures, we will disclose the Personal Data we collect from you under the following circumstances: (i) when required or permitted by law or government agencies, (ii) when required valid requests by law enforcement, (iii) for purposes relevant to corporate policies or litigation to the extent permitted under applicable law or when it is prescribed in GDPR or other applicable law. We use third-party service providers to process Personal Data, including, without limitation, for information storage and other similar purposes. These services providers are located in the United States. These service providers will be bound by sufficient guarantees to implement appropriate technical and organizational measures in such a manner that their processing will meet the requirements of applicable law. Your Personal Data will remain on file for: any period required by applicable law; and, to the extent necessary for any purpose(s) provided directly or indirectly herein or as may be reasonably inferred from the content contained in this notice or the website, but no longer than permitted by applicable law. After that, all Personal Data will be deleted or the documents with such data will be anonymized. If you have questions regarding how we process your Personal Data and what we store about you, please contact PrivacyInternational@HighmarkHealth.org or write us: Data Protection Officer Highmark Health 120 Fifth Avenue, Suite 2114 Pittsburgh, PA 15222, USA Consent By agreeing to the terms and conditions set out in this Data Protection Statement, and by providing us with your Personal Data, you consent to the collection, use and disclosure of any information you provide in accordance with the above purposes and this Data Protection Statement. You also explicitly consent to the automated decision making by us, which may include the processing of your health data, to the extent that it is necessary to process your health claim swiftly and efficiently. Notes: This consent is given voluntarily and can be revoked at any time in writing by sending an email to PrivacyInternational@HighmarkHealth.org If you want to exert your withdrawal right or your rights to access, rectify, block, transfer or delete your personal data pursuant to the GDPR, please contact us and provide us at least with your full name, address and the data processing you are inquiring about. If you are not satisfied with our data processing you have the right to lodge a complaint to the data protection authority in your country of residence. To request an appointment with us, please complete our Online Contact Form below and we will get back to you as soon as possible to arrange your appointment. Alternatively, please call us on 020 7928 5964 to speak to a member of our reception team, or email us at reception@se1dentalcentre.co.uk. We will be closed over the Easter weekend, and will be re-opening again on Tuesday 2nd April. If you are a patient of our practice, and in need of emergency dental assistance whilst we are closed then please call 07535 510531. We are not part of a corporate chain, and we do not have branch practices. We have a long standing loyal team, most of whom are specialists in their field, and we pride ourselves in never employing locum dentists, thus we can assure you continuity of care from the same Dentist. Millbank Dental Care is a member of the BDA and BDHF If you require an urgent dental appointment, simply telephone us as early as possible on the day and we will always do our best to accommodate you We will ensure that you receive the most convenient appointment times, so time away from work and home is scheduled to create the minimal amount of disturbance to your everyday life. If you require an urgent appointment, please telephone us as early in the day as possible and we will do our best to treat you the same day. You do not need to be registered with us & you do not need to change from your regular Dentist at home. We have a long standing team of specialist Dentists, most of whom hold teaching & research positions at leading Dental Schools. We aim to keep your natural teeth in as healthy condition as possible using the latest evidence based Dentistry Healthy gums: It is important that the gums and bone that support our teeth are kept healthy.... We use the latest American bleaching techniques to whiten discoloured or yellow teeth to create a natural white smile that lasts... (Mercury free) Fillings can be used to replace old amalgam fillings.... If teeth are chipped, uneven or have gaps between them they can be restored or enhanced with minimum tooth preparation using modern porcelain bonding techniques... Denouncing pleasure & praising pain was born and we will give you a complete account of the system.... Implants may provide another solution to missing teeth. They provide a fixed bridge and do not use your natural teeth.... Where teeth are sound but rotated or spaced, we avoid cutting good enamel for cosmetics... Orthodontic treatment is most often used to improve the appearance and alignment of crooked, protruding or crowded teeth, and to correct problems with the bite of the teeth. Millbank Dental Care has a team of skilled, caring and highly qualified dentists and support staff who are committed to providing high quality dental care within a modern and attractive environment. Millbank Dental Care firmly believes in postgraduate training and continuing professional development to keep all staff fully aware of the latest techniques and materials. This enables us to achieve the highest standard of care for our patients Dr. Martina V.
