Menos de 4 gols bet365

Quando se trata de realizar apuestas deportivas, entender los diferentes términos y opciones es crucial para tomar decisiones informadas. Uno de estos términos comunes es menos de 4 goles. A continuación, explicaremos qué significa realmente esta opción en las apuestas online.Menos de 4 goles: una opción para apostar al total de golesLa opción menos de 4 goles se refiere a la cantidad total estimada de goles que se marcarán durante un evento deportivo específico. En el contexto del fútbol, por ejemplo, si eliges apostar menos de 4 goles, estás prediciendo que habrá menos de cuatro anotaciones combinadas entre ambos equipos durante el partido.Supongamos que hay un partido importante entre dos equipos rivales. Si seleccionas la opción menos de 4 goles antes del inicio del juego y el resultado final es 2-1 a favor del equipo local, tu apuesta será ganadora. Esto se debe a que solo hubo tres goles en total (2 + 1 =3), lo cual cumple con el criterio establecido: menos de cuatro anotaciones totales.Sin embargo, si en lugar del marcador anterior hubiera sido un empate sin goles (0-0), o incluso una victoria por parte del equipo visitante con un único gol (0-1), también sería considerado como cumpliendo con la condición establecida para la apuesta exitosa.Solo cuando los resultados finales superan los cuatro objetivos combinados (por ejemplo, 3-2 o 4-1), la apuesta sería considerada como perdedora.Estrategias y análisis para apostar menos de 4 golesAl realizar apuestas en menos de 4 goles, aquí hay algunas estrategias útiles que puedes considerar:Analizar el desempeño defensivo de los equipos: Algunos equipos tienen una defensa sólida y tienden a conceder menos goles en sus partidos. Analiza el historial defensivo de los equipos y su capacidad para contener a sus oponentes. Esto te dará una idea de la probabilidad de que se anoten menos de 4 goles en el partido.Estudiar el estilo de juego de los equipos: Algunos equipos tienen un enfoque más cauteloso y defensivo, lo que puede resultar en partidos con menos goles. Observa el estilo de juego de los equipos involucrados y considera cómo esto podría influir en el número total de goles anotados.Analiza las estadísticas de goles: Examina las estadísticas de goles de los equipos y verifica si tienden a participar en partidos con pocos goles. Observa el promedio de goles anotados y recibidos por los equipos antes de realizar tu apuesta.Es importante destacar que la opción menos de 4 goles no es la única disponible. Las casas de apuestas suelen ofrecer una variedad amplia para adaptarse a diferentes preferencias y escenarios posibles. Por ejemplo, también se pueden encontrar opciones como "menos de 2 goles", "menos de 3.5 goles" o incluso variantes más específicas según las necesidades del partido en cuestión.¿Cuál es la diferencia entre apostar Menos de 4 goles y Más de 4 goles?En resumen, la diferencia clave entre apostar menos de 4 goles y más de 4 goles radica en el rango de goles que se considera para determinar si la apuesta es ganadora o perdedora. Menos de 4 goles abarca partidos con 3 goles o menos, mientras que más de 4 goles se refiere a partidos con 5 goles o más.Es importante tener en cuenta que las cuotas asociadas con estas apuestas pueden variar dependiendo de la probabilidad percibida de que se cumpla cada resultado. Además, las estrategias y el análisis previo al realizar estas apuestas pueden diferir, ya que se evalúan diferentes escenarios y tendencias goleadoras de los equipos involucrados.Tomando en consideración que sabes hacer apuestas seguras, no dudes esta opción de apuesta en tu repertorio de apuestas probables. Essa aposta consiste na aplicação de um handicap de -4,5 gols a uma das equipas. Se você não sabe do que estamos falando, pode estar interessado em ler o que é handicap aqui. Ao aplicar um handicap de -4,5 gols a uma equipe significa que subtrairemos 4,5 gols do número total de gols marcados num jogo, antes de decidir o resultado da aposta. Um número com decimais como 4,5 é usado em vez de 4 ou 5, para eliminar a opção de empate. Desta forma, se o Bragantino enfrentar o Atlético-MG e apostarmos no Bragantino com handicap de -4,5 gols, significa que precisamos que o Bragantino vença por pelo menos 5 gols para vencer a nossa aposta. Por exemplo, se o Bragantino vencer por 5 a 0 na aplicação do handicap, seria 0,5 a 0 e a vitória seria para quem apostou no Bragantino. Porém, se vencer por 5 a 1, ao aplicar o handicap o resultado seria 0,5 - 1, portanto a vitória seria para quem tivesse apostado no Atlético-MG com handicap de +4,5 gols ou, em outras palavras, handicap -4,5 gols pelo Bragantino. Como você pode imaginar, ao aplicar -4,5 gols à vitória de um time torna tudo muito mais difícil e improvável. Isso é feito para aumentar as taxas pagas pela vitória do favorito, quando ele tem muita certeza de que vai vencer o outro time. British gambling company Bet365Type of sitePrivateFounded2000HeadquartersStoke-on-Trent, EnglandOwnerCoates FamilyFounder(s)Denise CoatesKey peopleDenise Coates(Co-Chief Executive)John Coates(Co-Chief Executive)IndustryGamblingProductsSports betting, online casino, online poker, online bingo Bet365 is a British gambling company founded in 2000. Its product offering includes sports betting, online casino, online poker, and online bingo. Business operations are conducted from its headquarters in Stoke-on-Trent, alongside a satellite offices in Manchester and Malta. It was founded by Denise Coates, who remains the majority shareholder and joint-chief executive, alongside her brother John Coates. Bet365 is an online gambling company offering sports betting and casino type games. In addition to the company headquarters in Stoke-on-Trent, Bet365 have further offices in Manchester, Gibraltar,[1] Malta,[2] Bulgaria, Armenia and Australia. The group employed over 4,000 people as of 2020.[3][4] Bet365 is a trading name of Hillside (New Media) Limited,[5] and operations. Bet365 was founded in 2000 in a portable building[3] in Stoke-On-Trent by Denise Coates. Denise developed a sports betting platform and trading team to launch the business online in March 2001. The business borrowed £15 million from Royal Bank of Scotland against the family's betting shop estate which had been started by Peter Coates in 1974 and had been run by Denise Coates as managing director from 1995. Bet365 sold its betting shop chain in 2005 for £40 million to Coral and paid off its loan to RBS.[6] Bet365 chairman Peter Coates was also the chairman at Stoke City and in May 2012 Bet365 signed a three-year contract with the club to become shirt sponsors [7] In April 2016, the company became the new title sponsors for the club's stadium for the next six seasons, replacing fellow local enterprise the Britannia Building Society.[8] In the summer of 2016, Bet365 also signed shirt sponsorship deals with Bulgarian clubs Ludogorets Razgrad and Slavia Sofia for the upcoming two seasons.[9][failed verification] Bet365's reported figures (March 2020–21) showed revenues of £2.8 billion and a profit of £470 million before tax.[10] Denise Coates, joint chief executive, continues to run Bet365 and is the majority shareholder with 50.1% of the shares. Her brother John, joint chief executive, runs the business alongside her, with her father Peter holding the position of chairman. In the summer of 2019, the largest UK bookmakers and online casino operators William Hill, GVC Holdings, Flutter Entertainment, Stars Group and Bet365 entered into an agreement to transfer funds to combat gambling addiction. They agreed to increase the amount from 0.1% to 1% of gross income in the next five years. The initiative was welcomed by a harm reduction group, but also received criticism for its perceived inadequacy: one MP described it as "a bribe to appease campaigners and the UK government".[11] In 2018, shortly after the U.S. Supreme Court ruling on sports betting allowed U.S. states to regulate sports betting, Bet365 announced plans to launch in the United States starting with the state of New Jersey with a partnership with Hard Rock Hotel and Casino in Atlantic City.[12] The company would later announce in September 2021 that Bet365 will launch in Colorado with a licensing and revenue share deal with Century Casinos. Bet365 opened up operations in Colorado on 6 September 2022.[13][14] In April 2022, Bet365 was also launched in Ontario after it was approved by the Alcohol and Gaming Commission of Ontario to conduct sports betting activities in the province following the passing of a new Canadian law that legalized single-game betting.[15] In March 2025, the company announced it was ceasing its services in China and other jurisdictions.[16] At the eGaming Review Operator Awards 2010 organised by eGaming Review magazine, Bet365 won the "Operator of the Year" award.[17] Bet365 ranked third in The Sunday Times Profit Track 100 league table, which ranks private companies in the UK based on profit growth rate.[18] Bet365 was also ranked as one of the fastest growing privately owned technology, media and telecoms companies in The Sunday Times Tech Track 100 league table. eGaming Review magazine has ranked Bet365 the number one Internet gaming company in 2010, 2011 and 2012 as part of its annual Power 50 list of the top 50 most influential Internet gaming companies.[19] Denise Coates, founder and joint CEO of Bet365, received a CBE in the 2012 Queen's new year honours list for services to the community and business.[20] In February 2013 Denise Coates was named as one of the 100 most powerful women in the United Kingdom by Woman's Hour at BBC Radio 4.[21] In December 2024, Bet365 won the SBC Bookmaker of the Year for the fifth consecutive year. In October 2014, The Guardian newspaper reported that the company had been taking bets from Chinese citizens by using obscure domain names in order to avoid government web censorship.[22] In 2016, Bet365 was fined A\$2.75 million by the Australian Competition & Consumer Commission for misleading advertisements which falsely promised "free bets" to customers.[23] Although gambling is illegal in most jurisdictions of India, Bet365 nonetheless conducted surrogate advertising in the country. India's consumer affairs ministry served notices to various television channels and apps for promoting gambling companies and asked them to stop showing ads from Bet365 and other betting platforms immediately.[24] In March 2024, Australia's financial crime agency, Austrac, initiated an investigation into Bet365 for potential non-compliance with anti-money laundering and counter-terrorism financing laws, following an ordered external audit in 2022.[25] Denise Coates became the highest paid executive in the UK in 2017, awarding herself a salary of £217 million.[26] In 2018, her pay packet rose to £265m as the company reported profits up 31% to €660 million, prompting criticism from problem gambling charity groups.[27] In January 2019, Bet365 ranked second on The Sunday Times list of the UK's top taxpayers, with the Coates family (Denise, John and Peter) paying an estimated total tax of £156 million, of which £99 million was paid by Denise alone.[28] Denise was again criticised in 2024, after she received payouts of more than £270 million the year before, including a salary of £220.7 million and dividends of £50 million, despite the company posting a £60 million loss.[29] Further criticism highlights repeated cases of Bet365 delaying or denying payment to winning players. For example, Bet365 was taken to court for refusing to pay over £1 million in winnings to a horse bettor in Northern Ireland in 2017.[30] The company reported a payout of £54,000 to a customer in England in 2016, a case which was still ongoing in 2017.[31][32] In Australia, Bet365 froze the account of a punter who had won around A\$200,000 in 2016, refusing to pay out.[33] These are just some of the most noteworthy instances; several more cases of Bet365 refusing to pay winnings have been reported by gamblers on Internet gambling forums.[34][35] In August 2024, the New Jersey Division of Gaming Enforcement ordered that the company was required to pay more than \$519,000 to customers it had shorted on payments.[36] In the UK, the face of Bet365, since 2010, has been actor Ray Winstone.[37] The company sponsors the shirt and stadium of EFL Championship football club Stoke City F.C., a corporate affiliate. ^ Evans, Jake (30 January 2020).
